

Your New Registered Parking Sticker

Eligibility & Proof of Residence

Property owner or renters with a current, 12-month or longer lease who reside in San Remo Golf and Tennis Condominium Association Property owner assigned spaces, and first come first serve 2nd vehicle guest parking must move frequently within 24 hours and must display "Parking Permit for overnight parking."

NOTE: Residential Parking Permit participants should have received notification to update vehicle license, make, model & year promptly, if and when their vehicle information has recently changed. Please fill out the vehicle registration and send to Jennifer Murray LCAM our property manager via Email: jem.sanremo@gmail.com or place in the clubhouse office door mailbox.

Registration Owners/Tenants must register their vehicles(s) at the interview / once approved. Only two (2nd) vehicles are permitted per unit. Each unit will have one (1) assigned parking space. The second (2nd) vehicle should be the most used daily vehicle and must be moved frequently within 24 hours to insure "**first come first serve**" are fairly share and available to other residents daily use of limited guest spots. Guest space are limited and should not be used for long time storage for vehicles. Use your permanent assigned space for long term vehicle storage.

Re-positional parking stickers can be issued by contacting our property manager (above), with a new or updated vehicle registration form. Should a vehicle be in violation of the parking Rules and Regulations, the vehicle may be booted or towed at the unit owners expense from our contracted local **All Star Tow Service**.

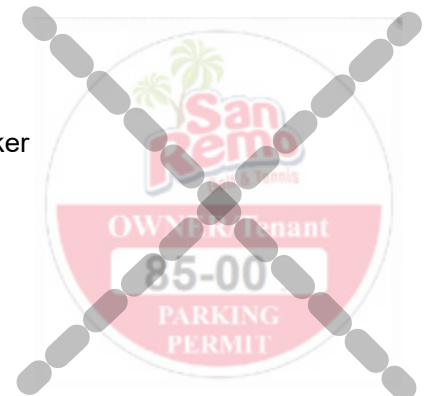

Please place your removable parking sticker immediately on the inside lower corner of the windshield, passenger side, as show below in the proper location shown in the picture below.

Thank you for your cooperation - BOD

CAUTION: towing or booting will be in force when in violation for more than 12 Hours for non registered vehicles without a proper visible parking sticker or in violation of parking rules.

Note:
Tinted vehicle windows behind driver make it difficult to visible see the Sticker Label.

Re-positional sticker must be affixed to the vehicle's interior windshield lower left passenger side, and used for proof of residence / security checks purposes.
